I, (Name) (b) (7)(C), (b) (6) (SSN #) (b) (7)(C), (b) (6) make the following free and voluntary statement to (b) (7)(C), (b) (6), whom I know to be a police officer with the Marine Corps Police Department, MCLB Albany, Georgia. I make this statement of my own free will and without any threats or promises extended to me. I fully understand that this statement is given concerning my knowledge of (b) (7)(C), (b) (6) UCMJ Article 92- Failure to obey order or regulation that occurred on (Date & Year) 16 MAR 2022 at approximately (Time-AM/PM) 1152.

As an Additional Officer(AO) to the Command Authorized Vehicle Inspection (b) (7)(C), (b) (6) did declare he had a gun inside his vehicle after being asked if he wanted to declare anything illegal before the search was conducted. (b) (7)(C), (b) (6) stated his gun was under the driver seat. Once (b) (7)(C), (b) (6) was away from his vehicle, the gun was located under the front driver side seat and concealed. The gun not in plain view and withing arms reach. The gun, later to be identified as a 40 Caliber Smith & Wesson semi-automatic handgun, was removed from under the seat. The gun was discovered to be in conditon 1. The gun was secured inside AO's patrol vehicle along with two (2) Smith & Wesson magazines. A weapon serial number inquiry was conducted and negavtive results were found. All property removed from (b) (7)(C), (b) (6) person and vehicle remained in the custody of AO and secured inside AO's vehicle (b) (7)(C), (b) (6) vehicle was located in an area that could potentially obstruct the flow of traffic (b) (7)(C), (b) (6) became very agitated and and raised his voice. He became angry stated "now you are going to impound my truck". AO advised it would not have to be, it just has to be moved just a little. (b) (7)(C), (b) (6) gave AO permission to drive his his truck. AO moved the truck approximatley 15 feet. AO and Reporting Officer (RO) (b) (7)(C), (b) (6) searched the rest of his vehicle; no further contraband was found. AO did remove a hunting knife and secured it with the rest of (b) (7)(C), (b) (6) property. A Marine by the name of (b) (7)(C), (b) (6) was waiting at the Police Department stating he was told to find out what was going on by (b) (7)(C), (b) (6) AO advised (b) (7)(C), (b) (6) of what transpired. AO advised (b) (7)(C), (b) (6) of (b) (7)(C), (b) (6) unprofessional and volatile behavior; he advised (b) (7)(C), (b) (6) was an angry man and also advised he had a heart condition. AO checked on (b) (7)(C), (b) (6) several times while he was being detained in an interview room. AO also asked (b) (7)(C), (b) (6) if he needed medical attention; he declined. AO advised a DNA sample need to be collected. (b) (7)(C), (b) (6) again became annoyed and did not want to provide a sample without proof saying he had to. AO was able to contact (b) (7)(C), (b) (6) from the Staff Judge Advocates Office and provided the order DoDi 5505.14. After AO provided the DoDi order (b) (7)(C), (b) (6) provided a DNA specimen sample with

minimal force. After (b) (7)(C), (b) (6) processing paperwork was completed, AO released (b) (7)(C), (b) (6) to the custody of (b) (7)(C), (b) (6) at approximately 1530 hrs. AO returned (b) (7)(C), (b) (6) property. The seized property was the 40 cal. Smith and Wesson semi-automatic handgun, 2 each Smith & Wesson magazines and 21 ea. 40 cal. Smith and Wesson rounds (17 ea. were ball-point and 4 ea. were hollow-point), and a hard plastic holster ("we the people" detail). AO and RO properly secured the seized items and all items in the Temporary Evidence Locker. The property was then signed over to Command Investigation Division. (b) (7)(C), (b) (6) behavior was very disruptive and at time questionable regarding several outbursts (b) (7)(C), (b) (6) was spitting continuously when AO was trying to deescalate the incident when she asked him questions at the inspection site. Additional examples of (b) (7)(C), (b) (6) behavior was when AO checked on his well being, he was very short and angered for being asked if he was doing well. (b) (7)(C), (b) (6) made a statement saying "you don't remember me. I'm the one that USE to let you train in My warehouse", for which AO asked him "use to?". (b) (7)(C), (b) (6) stated "yes, use to". When (b) (7)(C), (b) (6) was in the interview room, he advised AO we should rethink having a desk inside the interview room and could of easily barricaded himself inside the room. AO advised she could just take the door off the hinges. The last example of (b) (7)(C), (b) (6) unprofessional behavior was when was escorted out to the waiting area inside the Police Department. (b) (7)(C), (b) (6) and (b) (7)(C), (b) (6) were making jokes of his arrest; as well as (b) (7)(C), (b) (6) calling (b) (7)(C), (b) (6) a criminal by making the statement "hey criminal". On 17 Mar 22, AO discovered an administrative error regarding the DNA Database Collection Form. On 18 Mar 22, after a second DNA specimen sample was retrieved, the first DNA Kit was destroyed (b) (7)(C), (b) (6). The form and shipping envelope were shredded. The FTA Card and contents inside were property destroyed by (EasiCollect and desiccant) burying the envelope (b) (7)(C), (b) (6) ———— END OF STATEMENT ———— (b) (7)(C), (b) (6)
